

Top 50 Joomla Extensions in 2026

Real-time ranking of the top 50 most-installed Joomla extensions, pulled live from the mySites.guru database of 80,000+ connected sites.

Phil E. Taylor | 25 March 2026

People are always interested in what other people are using to build their Joomla site. We have the data, so while other sites might blog post about this with static information, we thought we would make this REAL TIME and accessible to all our mySites.guru subscribers, updated with data in real time pulling from our database of over 80,000+ sites

No Surprises by Akeeba Backup and Joomla Content Editor win hands down.
